

Kindergarten Summer Camp Themes 2023

Week 1: July 4th – 7th

Animal Week: Hear Me Roar! This week is all about animals from ancient dinosaurs to creatures that reside in the jungle to farm animals to creepy crawlers we see in the front garden and the backfield! Campers will learn about what they eat, where they come from, and how to care for them!

Week 2: July 10th – 14th

Sports Week: On Your Mark, Get Set, Gooooo! Play is our favourite way to learn. Through organized sports, campers will have the opportunity to build their teamwork skills and increase their body limits that they have never done before.

Week 3: July 17th – 21st

Multi-Cultural Week: Lets Travel Around the World! Join us as we explore various cultures and their delicious cuisines. Campers will also learn about celebrations, music, games, and much more. What a better way to travel when you can do it within your own campground!

Week 4: July 24th – 28th

S.T.E.A.M/Mad Science Week: Put on your thinking hats and goggles too! Each day, campers will get the opportunity to think outside the box and inside their very own science lab. Using various tools, campers will increase their curiosity by conducting hands on messy experiments.

Week 5: July 31st – Aug 4th

Art Attack Week: Ahhh, it's art week!!! It's time to self-discover! Express yourself! From crazy hat day to tie-dye t-shirt day, campers will be given various tools to put their thoughts, feelings, moods, and visions on multiple canvases.

Week 6: Aug 8th – Aug 11th

Water Works Week: SPLISH SPLASH! Not only will campers grab their swimming suits and jump into water. They will also learn about the science of water through various hands-on experiments. How does water work? What does it do?

Week 7: Aug 14th – Aug 18th

Occupation Week: Work! Work! Work! Learning and exploring more about our own families' occupations. Special guest appearances from our community and trips to various places that teaches the campers more about a variety of careers.

Week 8: Aug 21st – 25th

Nature Week: Campers will explore the wild, messy, unpredictable but most of all, beautiful things of nature. They will experience the magnificence of nature through walks, park adventures and community gardens.

Week 9: Aug 28th – August 31st

Anything Works Week: This week, campers will run the show! Campers will have the freedom to choose what they would like to participate in, from glow in the dark pyjama dance party to eating ice-cream for snack to competitive games or whatever they desire. It's all up to them since it's the last week of summer. Let's make it count!
