

School Age Summer Camp 2023 Themes

Nature and Animals Week: (July 4-7)

In the air, on land, under the sea. Getting up close and personal with Mother Nature as we take a stroll through botanical gardens and observe a bug's life. We'll watch the lions, goats, snakes and fish live in the environments created by humans and find out why they were created. Campers will pick some fruit after our wagon ride through the farm!

Sports Week: (July 10-14)

You want a chance to bring home the gold medal or a championship trophy like your favourite athlete? Basketball games, baseball games, track and field events and other mini sports will all be tallied up at the end of the week. Also, having the opportunity to learn more about different sports by playing and having instructors along with potential trips! Bring your sunscreen and your water bottles and let's have fun!

So, You Think You Can Cook? Week: (July 17-21)

Spend the week with us making delicious cuisines. I'm talking about flavourful tacos, spinning forks in homemade spaghetti and veggie meatballs, rolling up our own fresh sushi and so much more. A team cook off at the end of the week is also on the menu...I mean plan. Which team will take the 1st Place of being the best chefs of the week?

Building Something Out of Nothing Week: (July 24-28)

How creative can you be?! Get into groups with friends (and some of your new friends you have made) and make something out of nothing?! You're probably wondering what "nothing" is; well, that's for YOU to decide! Imagination is key! I know I will be there, hopefully you will be to!

Water and Ice Week: (July 31- August 4)

Make a splish, make a splash at park splash pads and wading pools. Jump into water play fun with our sprinklers, hoses and water games. All this week, you'll need your swimsuits, towels, water shoes, and extra clothes. Hey! And maybe bring your skates because we could be carving into an indoor ice rink!

Occupations Week: (August 8-11)

What brings a smile to your face? Is it cooking? Is it helping others? Is it taking care of others or even protecting people? There is a wide option of cool and fun occupations, and I know just the people to show you about some of them, with potential visitors such as police officers, nurses, and maybe even a lawyer! Don't miss out on getting to ask questions and learning!

Rivalry Rush Week: (August 14-18)

May the best team win!

Throughout the week team green and team purple will go head-to-head completing daily activities and pulse racing challenges like tug of war, water bucket relay, laser tag and so much more. At the end of the week only one team can be crowned the champions. Bring a water bottle, a change of clothes or whatever you'll think you'll need to conquer the week. Shake hands and let the games begin.

Art Attack Week: (August 21-25)

Imaginations welcomed! This is the week to let it all out. Dream in colour? Well, throw it on a canvas. Love funky, colourful textiles? Be prepared to stitch some yourself creating a one-of-a-kind item. Sing for a crowd or dance your heart out. This week will be all about expressing our creativity. Can't wait to see what we can come up with!

Invention Convention Week: (August 28-31)

From the minds of great inventors like Garrett Morgan, Lewis Latimer, Mary Van Brittan Brown, Ajay Bhatt, and Steven Shih Chen, we will diverge into their processes to modernizing our society. We'll take a page from great inventors around the world and brainstorm an innovation of our own. Using Model Magic, hot glue (supervised), nuts and bolts, tools, wooden blocks, and paper mâché to bring our innovations to life.
